2019-2020 Directory and Handbook

The New York Beef Producers' Association serves the cattle industry in New York and the Northeast. NYBPA sponsors the Herd Builder Female Consignment Sale, Educational Programs, Clinics, Field Days, Beef Promotional Activities, Feeder Calf Preconditioned Sale and more. A key project of the NYBPA is the publication of its Biennial Directory and Handbook. This publication lists all NYBPA members and information about their operations as well as reference information to the beef industry.

Copies of the new directory will be widely distributed throughout New York and the Northeast. The 2019-2020 Directory offers you an excellent opportunity to place your farm name or company before a large group of prospective customers. I encourage all members to participate, so people know where different breeds and beef products are located around the state.
