

Feeding Your Beef Cows Through the Winter

February 12, 7:00-8:30 p.m.

At the Wyoming County Ag & Business Center, 36 Center St, Warsaw.

Winter is a challenging time to feed the beef herd. Weather can stress cows and increase nutritional needs.

CCE NWNYS Team is planning a workshop to assist farmers meet cows' needs.

Mike Baker, Cornell's Beef Specialist will review the nutritional needs of beef cow, how the environmental conditions impact feeding, and how the stages of pregnancy affects her needs.

Nancy Glazier, Small Farms and Livestock Specialist with the NWNYS Team, will discuss sampling for nutrient analysis.

Pre-registration is required. Cost is \$15 per person, \$25 per farm or family, payable at the door.

Contact Nancy Glazier at 585.315.7746 or nig3@cornell.edu by 2/10.
