

“Raise the Roof” Campaign

New York Beef Producers offer Personalized Beef Signs

Promote the beef industry and the New York Beef Producers with the purchase of a personalized “Beef: It’s What’s For Dinner” sign! The 18” X 24” aluminum composite signs are designed for outdoor durability and to hang from a gate or a fence, and can even be mounted on a barn. These also make great gifts for friends, family, and fellow beef cattle enthusiasts.

The proceeds from this fundraiser will be dedicated to our “Raise the Roof” Campaign. This campaign will be raising funds so that we can raise the roof of our very own storage and work center at Empire Farm Days. This building project will help us to increase our efficiency as we cook, prepare and serve our famous beef sandwiches and dinners during this annual event.

Signs are \$50 each plus \$15 shipping and handling. Allow approximately three weeks for delivery. Please send order information with payment to: Brenda Bippert, NYBPA Executive Secretary, 290 Four Rod Road, Alden, NY 14004. Make Payment to NYBPA.
