How Do You Think About Spending Money for Your Business?

Thursday, May 7, 2020 from 6:00 pm to 8:00 pm

Online Zoom Meeting

- PowerPoint presentations and discussion.
- Ask questions and share your experience.
- Upon registration you will receive information on how to participate in a Zoom meeting and a link to participate in the Zoom meeting.
- **If you do not have a good internet connection**, you can join by phone with audio only.
- Financial management perspectives for long term profitability.
- Fencing advice from contractors, as well as tips, and cost cutting ideas.
- What are your feed costs? Should you be producing forage or buying it? Calculate your own machinery costs for forage production.
- How to economically feed minerals.

Please register a couple of days early, so that you can use a machinery cost calculator to determine your forage costs before the meeting.
