

2024 ENVIRONMENTAL STEWARDSHIP OF THE YEAR AWARD

The New York Beef Producers Association recognizes beef producers who have made a positive impact on sustainability of the New York Beef Industry. NYBPA is honored to recognize operations that uphold sustainability practices in their day-to-day farms.

NYBPA's Environmental Stewardship Award is an opportunity for the NY beef industry to showcase the stewardship, conservation and business practices that work together on farm. The award recognizes outstanding stewardship practices and conservation achievements of Beef Producers across New York. The hope is to recognize operations with a desire to leave the land better than they found it for the next generation.

YOUR 2024 AWARD APPLICATION SHOULD INCLUDE THE FOLLOWING:

1. A history and Description of the Operation
2. The environmental problem recognized on the operation
3. A description of how the operation overcame the issue including details of the environmental stewardship practices.
4. Statement of interest or non-interest in pursuing the national award nomination through NCBA
5. Nominating party - whether self nominated or organizationally nominated

APPLICATION GUIDELINES:
